MEMORANDUM OF UNDERSTANDING

BETWEEN

JAYPEE INSTITUTE OF INFORMATION TECHNOLOGY, NOIDA

AND

JAYPEE HEALTHCARE LIMITED, NOIDA

Jaypee Institute of Information Technology (JIIT), Noida and Jaypee Healthcare Limited (JHCL) are entering into this MOU in utilizing the services and facilities of both these organizations including technical, engineering, medical expertise, infrastructure and other support systems available at JIIT and JHCL for the following objectives:

I. Education

1. Design of an advance state of art curriculum for MBA in Hospital and Healthcare Management (HHM) programme to be run at JBS, JIIT-62, Noida.

2. Support in running MBA programme with specialization in HHM, utilizing the faculty, medical and health care experts and other facilities available in both these organizations.

3. Sharing the responsibility of teaching, training and research of this MBA (HHM) programme by both these organizations.

II. Research, Innovation and Development

4. Joint research and developmental activities including laboratory and clinical trials and prototype developments.

5. Involvement of the faculty members and research students of JIIT and the medical and health care experts from JHCL for carrying out innovations, incubations and other developmental activities.

6. Submit joint patents and IPR's coming out from the outcome of the joint research, development and innovation activities. The funds required for such activities are to be jointly borne on mutually agreed upon terms by both the organizations.

7. Jointly submit research and development project proposals to external funding agencies and industries both in private and government sectors.

8. Jointly technology transfer to external incubators and sharing of the IPR revenue coming out of it by the two organizations.

9. Organization of joint conference, symposia, workshop, etc.

10. Any other activity mutually decided by the JIIT and JHCL.

11. Top five graduates of MBA (HHM) in first three batches will be absorbed by JHCL.

This MOU is a statement of intent and does not create any legally binding obligations between the two parties, nor does it place any financial obligations or supplementary funding commitments on either party. Specific activities, that the parties desire to undertake, will require written agreements that will deal with terms, conditions, and commitment of resources (financial or otherwise) required from each party in connection with the specific activity/ project/ programme.

The MOU will be effective from the date of signing it and remain valid for a period of five (5) years with the understanding that it may be modified/ extended only by the written mutual consent of both the parties. Either party may terminate this MOU with an advance written notice to the other party of at least three (3) months in advance.

This MOU is completed in English and is hereby signed in two (2) copies, with one (1) copy remaining in the possession of each party.
