# Google Summer of Code

To Whom it may concern:

Google is pleased to let you know that Aaryan Porwal has been accepted to participate in the Google Summer of Code 2021 program, which is administered from our Corporate Headquarters at 1600 Amphitheatre Parkway, Mountain View, CA 94043.

Aaryan will work as a Student Developer beginning June 7, 2021 and ending on August 16, 2021, developing open source software for Ceph. Aaryan is expected to spend an average of 17+ hours a week working on their project over 10 weeks. Aaryan will work from home on their project and will not be required to visit either Google or Ceph's offices.

More information on Aaryan's project can be found at:
https://summerofcode.withgoogle.com/projects/4772735261081600

The Google Summer of Code program is administered by Google. Aaryan will not be directly employed by Google during participation in Google Summer of Code 2021.

This letter serves as official proof and verification of Aaryan Porwal's acceptance into Google Summer of Code 2021. Alternate proof cannot be provided. However, Aaryan may, subject to their mentor's approval, make slight adjustments to the start and end dates of the program, and their mentor can provide verification to supplement this letter.

You can learn more about the program on our website at g.co/gsoc. Should you require any further information, please do not hesitate to contact our team via email at gsoc-support@google.com.
