Freezing of Choices

The screenshot shows the CampusLynx Student Course Registration portal. A green notification banner at the top right states "PR Event Frozen" with a checkmark icon. The main content area displays a list of subject categories and their respective choices. A table is shown for the "DE-3" category, listing subjects with their codes, descriptions, credits, and choice numbers. The "Is Checked" column for both subjects in the table has a blue checkmark. At the bottom, there are buttons for "Save CR Subjects" and "Print Choices".
