

International Young Quantum Scientists' Meet 2024

The event will provide a platform where enthusiastic young researchers working in the domain of Quantum Communication, Quantum Computing, Quantum sensing, Quantum Materials and Quantum Optics can share their results and explore the avenues for new collaborations.

September 16 – 20, 2024

Confirmed

Timing: IST 6 pm to 9 pm
(online mode only)

Young Speakers

Link for registration:

<https://forms.gle/q9ULg34Re43SxY3Q8>

- Dr. Abhishek Shukla, University of Hasselt, Belgium
- Dr. Kishore Thapliyal, Palacký University, Olomouc, Czech Republic
- Dr. Chitra Shukla, Université du Luxembourg
- Mr. Vaisakh Mannalath, University of Vigo, Spain
- Dr. Priya Malpani, CDOT, India

Last date for registration: 5th September 2024

E-certificates will be provided to all participants

No registration fee for the event

Quantum Communication Quantum Optics
Quantum Computing Quantum Information
Quantum Materials Quantum Sensing
